

**ISRA World Meeting Schedule for Wednesday, July 26**

8:00 AM

**Welcome to ISRA 2006: Robert J. Jones**  
**Senior Vice President for System Administration, University of Minnesota**  
**Plenary Speaker: Laura Baker**  
**Title of Plenary Address: Risk Factors for Antisocial Behavior: Genes and Environment**

**BREAK**

9:15	<p><b>Symposium WA-1</b>  <b>Chair: B. Krahe</b>  <a href="#">Risk Factors of Sexual Aggression: Evidence across nations and genders</a></p>	<p><b>Paper Session WA-1</b>  <b>Chair: TBA</b>  <b>Aggression typologies and measurement</b></p>	<p><b>Symposium WA-2</b>  <b>Chair: S Maxson</b>  <b>Comparative Genetics of Aggression: Focus on MOA and serotonin</b></p>
	<p><i>A. Abbey, A. Jacques &amp; M. Parkhill</i></p> <p>The Relationship Between Sexual Assault Perpetrators' Tactics and Individual Difference Variables: How Do Men Who Use Alcohol and Verbal Coercion Differ?</p>	<p><i>H. Polman, B.O. de Castro, H.W. van Boxtel &amp; W.W. Merck</i></p> <p><a href="#">A meta-analysis of the distinction between reactive and proactive aggression in children and adolescents</a></p>	<p><i>K. Chen &amp; C. Shih</i></p> <p>MAO A knock-out(KO), MAO A/B KO and forebrain specific MAO, A knock-in transgenic mice as models for studying aggressive behavior</p>
9:40	<p><i>G. T. Viki &amp; M. Thomä</i></p> <p>Social norms and male rape proclivity: The role of sexist and sexual humour</p>	<p><i>J.M. Andreu &amp; J.M. Ramirez</i></p> <p>Hostility and normative beliefs in reactive and proactive aggression: A structural model</p>	<p><i>A. Holmes</i></p> <p>Influence of genetic variation in serotonin transporter function on aggression and emotion; evidence for mutant mouse models</p>
10:05	<p><i>J. White</i></p> <p>A longitudinal perspective on risk factors for sexual assault perpetration</p>	<p><i>H. Grietens, S. Kuppens, D. Michiels, &amp; P. Onghena</i></p> <p>Conceptualizing and distinguishing nonphysical aggression in preschool children</p>	<p><i>J. Higley &amp; T. Newman</i></p> <p>Phenotypic outcomes in CNS serotonin and serotonin-mediated behavior are modulated by gene X environment interactions: A nonhuman primate model</p>

**BREAK**

10:40	<p><i>P.B. Anderson, S. Lebedev, &amp; R. Masagutov</i></p> <p>The impact of nationality, and economic, social, and marital status on differences in the frequency of sexually aggressive behaviors among women living in Russia.</p>	<p><i>S.M. Coyne, J. Archer, &amp; M.J. Eslea</i></p> <p>"Mean, Meaner, Meanest" Indirect, relational, and social aggression in high school and on television.</p>	<p><i>E.C. Prom, L. J. Eaves, D. L. Foley, C.O. Gardner, B.K. Wormley, B. P. Riley &amp; J. L. Silberg</i></p> <p>Gender differences in the interaction of monamine oxidase-A and childhood adversity as risk factors for Conduct Disorder</p>
11:05	<p><i>B. Krahe</i></p> <p>Risk factors of men's and women's sexual aggression: Some German data</p>	<p><i>D.S. Richardson, H. Ferguson &amp; S. Daniel</i></p> <p>"I'm not doing anything:" Passive aggression in various relationships</p>	<p><i>A. Kulikov, D. Osipova &amp; N. Popova</i></p> <p>Aggression and freezing strategies in mice are positively associated with different genetic mechanism defining tryptophan hydroxylase-2 activity</p>
11:30		<p><i>J Victoroff, M. Johnson, K. Miller, &amp; K. Schwab</i></p> <p>Measuring human aggression: The challenge of a lifetime</p>	

11:55

1:00 PM	<p><b>Symposium WP-1</b>  <b>Chair: M. Bloomquist</b>  <b>The Early Risers Conduct Problems Prevention Program: From Efficacy to Real World Implementation and Sustainability</b></p>	<p><b>Symposium WP-2</b>  <b>Chair: K. Williams</b>  <b>Ostracism, Belonging and Social Conflict</b></p>	<p><b>Paper Session WP-1</b>  <b>Chair TBA</b>  <b>Aggression across generations: Parent/family effects</b></p>
---------	---	--	---

	<i>D. Bernat, G. August, J. Hektner, &amp; M. Bloomquist</i> The Early Risers Efficacy Trial: Testing for Six-year Outcomes and Mediational Processes	<i>K. Williams, A. Carter-Sowell &amp; E. Wesselmann</i> The Loss of Control: An Important Link in the Ostracism-Aggression Chain	<i>E. F. Dubow, L. R. Huesmann, &amp; P. Boxer</i> The Cross-Generational Transmission of Aggression: Data from a 40-Year Longitudinal Study
1:25	<i>G.Realmutto, S. Lee S, B. Klimes-Dougan, M.Bloomquist &amp; G.August</i> Early Risers Multi-site Implementation Trial: Initial Evaluation of an Internet-Based Fidelity Monitoring System	<i>N. Crick &amp; D. Murray-Close</i> Relational Aggression: Boys will be Boys, But What about Girls?	<i>D. Michiels, H. Grietens, P. Onghena, &amp; S. Kuppens</i> Relational aggression viewed from an attachment perspective.
1:50	<i>M. Bloomquist, S. Lee &amp; G. August</i> Implementation and Sustainability of the Early Risers Prevention Program in an Urban Community Family Social Services Agency	<i>N. Dewall, J. Twenge, S.Gitter &amp; R. Baumesiter</i> Seeing Hostility Following Rejection: The Role of Hostile Perceptions in Shaping Aggression	<i>S. Kuppens, H. Grietens, P. Onghena, &amp; D. Michiels</i> The role of parental control in the development of relational aggression in elementary school children

**BREAK**

2:25	<b>Symposium WP-3</b> <b>Chair: M. Potegal</b> <b>Anger expression, physiology and treatment: Recent research, current findings and new models</b>	<b>J. Twenge</b> <b>Preventing Aggression After Social Rejection</b>	<b>J.F. Knutson &amp; G Koepl</b> <b>Social competence and the development of aggression in disadvantaged children</b>
	<i>G. Stemmler</i> A streetcar named anger		
2:50	<i>J. Hubbard</i> Anger and aggression in children	<i>J. Schaafsma &amp; K. Williams</i> Ostracism and Ethnic Group Membership	<i>N. L. Shay &amp; J.F. Knutson</i> Maternal depression and dysfunctional parenting in a disadvantaged sample
3:15	<i>E. Harmon- Jones</i> Varieties of anger and their relationships to asymmetrical frontal cortical activity.	<i>L. Gaertner, J. Luzzini &amp; E. O'Mara</i> A Synergistic Model of Mass Violence: When Rejection by One Fosters Aggression Against Many	<i>N. Valles &amp; J.F. Knutson</i> Contingent responses of mothers and peers to indirect and direct aggression in preschool and school-aged children.
3:40	<i>R. Novaco</i> Anger dysregulation and its treatment	<i>N. Eisenberger</i> Exploring the MAOA-Aggression Link: Clues from the Brain's Response to Social Exclusion	<i>A. Gewirtz &amp; A. Medhanie</i> Children's risk and recovery following exposure to domestic violence
4:05	Discussant: M.Potegal		

**4:30 POSTER SESSION 1**

**5:30 POSTER SESSION 2**

**6:30-7:00 DINNER OPTION: CUISINE AFFINITY GROUPS**
